

## Jazz in Eilat from February 17<sup>th</sup> to 22<sup>nd</sup>, 2026

### Red Sea Jazz Festival

The Adam'Art nonprofit organization, which runs the IsraeliJazz project, invites you to an exceptional stay in Eilat, at the heart of the Israeli art scene, giving you the opportunity to meet these great musicians.

During these challenging times for Israeli culture and tourism, we will demonstrate them our support, and they will be deeply touched. We must show them how much we care. Size of our group will be limited, and only the first to register will be guaranteed a place on it.

We cooperated with an important Israeli travel agency and the festival operator to create this offering that can be distribute also by Tourism professionals or federations/organizations.
